**November 1, 2024**

### **Temporary Road Closure on Breezehill Lane Scheduled for November 7 for Pipe Replacement Project**

**Palm Coast** – The City of Palm Coast will temporarily close a section of Breezehill Lane on Thursday, November 7, to facilitate a pipe replacement project. The closure will take place at 98 Breezehill Lane from 7:00 a.m. to 3:30 p.m., during which time all traffic will be detoured.

Drivers are encouraged to use Brewster Lane and Bressler Lane as alternate routes to navigate around the work zone. The City will provide appropriate maintenance of traffic (MOT) measures and place detour signs to ensure safe and efficient traffic flow.

This infrastructure improvement project is essential to maintaining the reliability of our city's utilities, and the City of Palm Coast appreciates the community's patience and cooperation during this time.
